Paul -

I hereby request, under both the FOIA and PA, all documents and communications whatsoever (including email) that regard or mention me or any of my FOIA / PA requests to the TSA (including this request itself), that are held or controlled by the TSA as well as any other agency contacted in those documents or communications.

As is hopefully obvious, "documents that regard me" includes but is not limited to absolutely everything described in 5 USC 552a(c)(1).

This request is fully recursive (i.e. it applies to any agency that has been contacted by any agency that has been contacted by [etc] the TSA with regard to or mentioning me or any of my requests).

I also request all documents that fall under 5 USC 552(o)(1), for all included agencies.

To the extent that the communications are held by a different agency (e.g. one that was contacted by the TSA), I request that you refer this request to that agency for them to handle their portion of it.

As a reminder, my previous request IDs are TSA13-0375, TSA13-0414, TSA13-0424, TSA13-0488, TSA13-0494, 2013-TSFO-01179, 2013-TSFO-01096, 2013-TSFO-01088. I have not yet been given a request ID for my 2013-11-23 FOIA/PA request.

As enumerated and substantiated in full detail in my previous requests (e.g. TSA13-0494), which I incorporate by reference here, I request expedited processing, journalistic fee waiver, public interest fee waiver, purely electronic response and electronic copies of all responsive records, a Vaughn list of all withheld documents, etc.

I am willing to pay up to \$100 to service this request. Please give a detailed accounting of all contemplated costs over that amount for my approval, including an explanation of how various narrowings of this request would change the cost.

I also demand that you preserve all responsive documents as evidence relevant to pending litigation, regardless of whether they are provided to me.

For Privacy Act fulfillment: My name is Sai, I was born [REDACTED] [REDACTED], and I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct, today 18 Jan 2014, under 28 USC § 1746.

I require that *all* responses to this request be sent to me by email, at tsa@saizai.com.
