Your Honor —

After further research¹, I would like to correct p 3 & fn 5 of my application.² Aside from those mentioned, this Court has granted motions to file IFP *without* affidavit in 28 cases³ and denied 23⁴.

Respectfully submitted today, July 20, 2014,

Sai, petitioner pro se

² I would appreciate these being added to my request for copies. I note that docket 14A70 only lists it as an application for extension of time, but I have requested stay and other relief as well.
