Petitioner

v.

Case Number: 14-1005

United States Postal Service (USPS)
Respondent

Motion for declaration and order to compel

On January 13th, 2014, the Clerk served USPS with a petition for review in this case (document # 1474801). Per FRAP 17, USPS is mandated to file the record within 40 calendar days of being served. That date was February 22nd, and has since passed; the Court has not given any extension, nor has USPS requested any.

Accordingly, I respectfully request that the Court

1. Declare that USPS has violated FRAP 17, and
2. Order the USPS to immediately file the record.

Respectfully submitted,

Sai, *plaintiff pro se*
